Newness of Life in Christ Jesus

April 6, 2017
EASTER SUNDAY

When the women came to Jesus' tomb, to their amazement, the stone was rolled away. Jesus' Resurrection means that the huge stone that separated the human race from God was rolled away; the way to the Father is once more wide open. Now, eternal life and happiness are possible for all of us.

But, there is a doubt that darkens Easter. It is not doubt that Christ rose from the dead. There is a mountain of evidence in the life of the disciples and of the Church that Jesus indeed rose. We see the disciples changed, walking in newness of life as a new creation, filled with the Holy Spirit.

The doubt that casts its shadow over Easter is the doubt that you and I can really walk in newness of life, that we can become a new creation, that we can be changed and filled with the Holy Spirit. We might feel that the stone in our life is too massive, too big.

Can the God of Genesis, Who separated darkness from light, Who brought this entire magnificent creation into being from nothing, make me a new creation and give me new life? The Resurrection says, "Yes!" If God created the universe, He can surely re-create us. Can the God of Exodus Who delivered the Hebrew people from slavery and bondage deliver me from the bondage of sin? The Resurrection of Jesus Christ says "Yes!" If God could free the Hebrew people, He can certainly free us.

The Easter Vigil began in darkness, representing all that is devoid of light: evil thoughts, sinister motivations, terrible deeds, whatever is hidden and secret, deceitful and dishonest, divisive and abusive, immoral and sinful. It is the darkness of our world and maybe the darkness in our own heart.

Then a light was struck. As the light spread, the church was illumined and the darkness began to be dispelled. This is hope for our culture and for our world. The light that we have been given, the light of Faith, can dispel the darkness.

We all come to Easter with our own histories of failings and sins. The Resurrection of Jesus assures each of us that we can have a different future. Jesus created the Church to be the place where He will always be found in Word and Sacrament. Here, Christ dwells in His majestic Easter presence, in countless places and in countless lives.

Easter is a time to discover a personal relationship with the Risen Christ within the life of the Church. It is a relationship that will make us better and greater than we are and will never end.

All the promises and parables of Christ are for us and about us. The new life that the first disciples experienced can happen to us. Let's remember that before the Resurrection there is the Passion. Many times, God has to undo us in order to recreate us.

Because of the Resurrection of Jesus, Easter is the second chance for all of us.

WORSHIP / ADORACIÓN

Easter Vigil: The Mother of All Feasts

St. Augustine coined the phrase "mother of all feasts." This night's vigil has four parts: the Service of Light, the Liturgy of the Word, the Service of Baptism and the Liturgy of the Eucharist. We are people of the cross and of light, and we are chrismated into the ecclesial community of Christ. The light of Christ and the baptismal bath incorporate us into the paschal mystery. We are people of the table; we are eucharistic people. Rejoice, Mother Church!
